

Student Internship Opportunities
Mathematics and Computer Science (MCS) Division
Argonne National Laboratory

See MCS Division research opportunities as listed in Argonne's Division of Educational Programs faculty and student catalogue (<http://www.dep.anl.gov/catalog/catalog.htm>, pages 47-57).

DOE Science Undergraduate Laboratory Internships Program (SULI)
and
Argonne Student Research Participation Program (SRP)

2008 Summer program deadline:
2008 Summer program dates:

Students who apply for summer consideration must apply to the DOE SULI and also submit an electronic application to Argonne's SRP. References should be submitted for DOE SULI consideration and need not also be submitted to Argonne.

See http://www.dep.anl.gov/p_undergrad/summer.htm.

February 1, 2008

May 27, 2008 – August 1, 2008– with some flexibility depending on on-site student housing requirements.

Cooperative Education -
Applicable to graduate students and undergraduate students

Parallel Co-op: one-year part-time work up to 24 hr/week concurrent with full-time college/university

Alternating Co-op: semester at Argonne, followed by semester at college/university

Application deadline:

None, but requires approval from university cooperative education office and verification of full-time student status.

Foreign nationals need work permission via approved I-20 form.

See http://www.dep.anl.gov/p_shared/coop/coop.htm

Graduate Program Appointments:

2008 Summer Givens Associate –

<http://www.mcs.anl.gov/about/files/givens2008.pdf>

Research Aide –
